DATATRAVELER® DUO

Double versatility with dual connector

Kingston's DataTraveler® Duo features dual USB connectors that work with both standard USB Type-A and USB Type-C¹ ports. The innovative dual slider casing makes the drive sturdy and stylish, with no cap to lose. DataTraveler® Duo is an ideal extra storage for your laptops, desktops and mobile devices. With USB 3.2 Gen 1² speed, users can easily access and transfer documents, photos, videos, music and more. The product is backed by a five-year limited warranty, free technical support and legendary Kingston® reliability.

- › **Dual interface accommodates USB Type-A and USB Type-C ports**
- › **Unique double slider casing**
- › **USB 3.2 Gen 1 speeds²**
